How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving \$2 and Fully Guaranteed.

A full pint of cough syrup—as much as you could buy for \$2.59—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for whooping cough, sore lungs, asthma, hoarse-ress and other throat troubles.

Mix 1 pint of granulated sugar with 4 pint of warm water and stir for 3 minutes. Put 2½ ounces of Pinex (50 cents worth) in a pint bottle; then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours.

the sugar synth. The recommendation of three hours. This is just laxative enough to help ture a cough. Also stimulates the appetite, which is usually upset by a cough. The teste is pleasant.

The effect of pine and sugar syrup on the infamed membranes is well known. Piner is the most valuable concentrated compound of Norway white pine extract, rich in guiaicol and all the natural healing pine elements. Other preputations will not work in this formula. The Piner and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Candada The pian has been imitated, but the old successful formula has never been equaled.

A guarantee of absolute satisfaction, or money promptly refunded goes with this recipe. Your druggist has Piner, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
